### **DISCUSSION ITEM**

Every year we send our Delegate to The World Service Conference in the United States to represent Area 89. We have one of two choices: a.) Area 89 to pay the full amount for this trip; or b.) to have an equalized amount shared between Area 89 and The World Service Office. Normally, Area 89 pays the full amount (option a.). The treasurer is requesting direction from the floor of Assembly, as expenses continue to rise, as to whether Assembly would like to continue with the current payment method (option a.) or whether Area 89 would like to change to the equalized payment option b.

### **REMINDERS**

Please remember to bring a copy of the relevant minutes and the service manual to assist us in our discussions and elections.

Please consider letting your name for one of the upcoming vacant positions.

Please remember that at the Saturday morning business meeting that all motions should be written in a clear handwriting. All motions should use clear wording to ensure clarity of understanding as to its intention and purpose.
